-
- Goal(s)** : An app that can suggest the perfect denim based on the parameters entered by the user
- How it works** : A user to input his gender, waist , fit and leg options and based on the selection the application show the recommended denims fits that suit them best and also option to book the denim. A user can also choose to share their recommendations on social channels (Facebook and Twitter).

for all mankind®

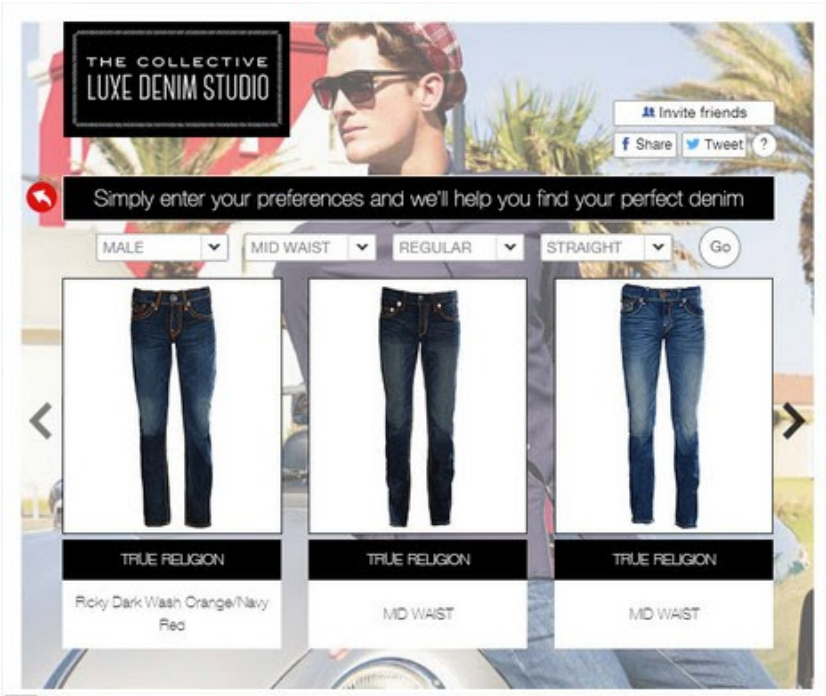

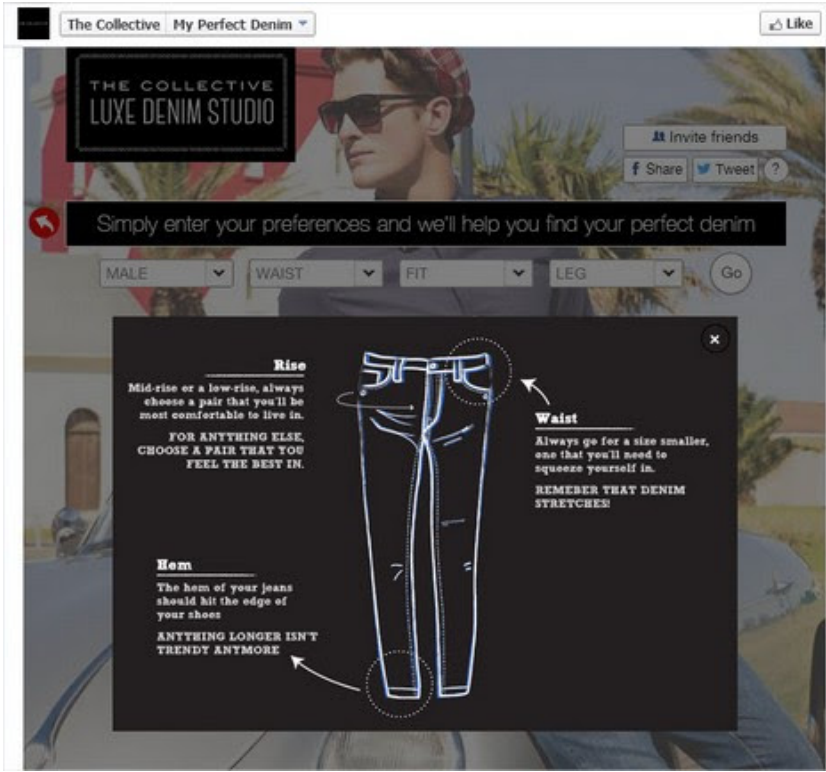

AG ADRIANO GOLDSCHMIED

AJ ARMANI JEANS

AJ ARMANI JEANS

Inspired from the environment, Armani exemplifies true spirit and fine style

Armani Jeans established in 1981 embodies Giorgio Armani's idea of a young, relaxed, modern and trendy style, through a denim focused collection, offering also men and women ready-to-wear items. The heart of the collection is denim, available in various styles, cuts and models. Several models are produced with special fabrics and processes designed to respect the environment. It is a highly technical collection focused mainly on its environmentally friendly features.
