<http://doityourself.airfrance.com/newyork><https://alexandria-krds.release.kacdn.net/project/view>**Description :**

Choose several activities in NY then discover your Youtube video, with someone actually visiting the activites you chose! We created a replicate of the original site made by Aurodia for Air France. We used our back office and put the right assets to have the new site on our servers and fitting our framework.
