DON'T ALLOW THE BRIDE TO GARNER ALL THE ATTENTION.

Whether you're the groom or a groomsman, order a special suit that allows you to make the wedding albums a tad more fashionable – and memorable for the years to come.

Our Made To Measure experts will fit you, and your family, with a wardrobe that carries all the distinctive hallmarks of a Made To Measure wardrobe – and add a little celebratory flair, if you so wish it.

You can choose from a special selection of fabrics that add to the rich ambience of the setting. Or choose special finishing details that add subtle luxury for that once-in-a-lifetime look.

When you have the right ingredients, a diamond ring is all you need to make your own personal Wedding albums.

HACKETT
LONDON

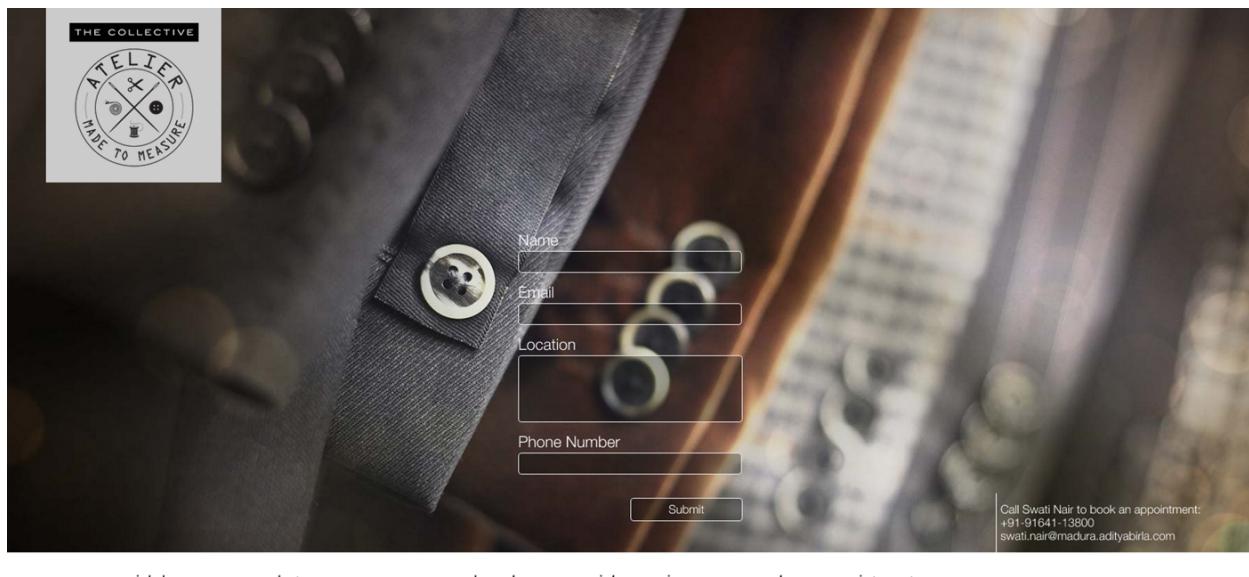

Established in 1979, Hackett London is known for its quintessentially British wear, that is blended with an element of the quirk.

Hackett's British Personal Tailoring Service enables you to have suits, jackets, trousers, waistcoats and eveningwear made to your individual specifications – from a chosen block – in the fabric that suits your taste and needs. Many details such as extra pockets and linings are tailored to your wishes.

Hackett welcomes wedding groups to experience their personal tailoring services, and to ensure that the D-Day is special in every way.
